

# Patient & Family Conference

## June 10, 2017

**Courtyard Toronto Mississauga/West**

**290 Derry Road West**

**Mississauga, Ontario, L5W 1N6**

Are you living with high cholesterol? Does it affect several members of your family, across generations? Do you struggle to keep your “numbers” at target? Join us to learn more about inherited Familial Hypercholesterolemia & related disorders. You will have the opportunity to speak with key doctors and other healthcare professionals about diagnosis, treatments, healthy eating, prevention, and other issues. You will meet with other Canadian patients and families and help launch a campaign for awareness and support.
